---

---

---

## Object 2

Sketch the object here:

How would you describe this object to someone who cannot see it?

---

---

---

What material is the object made out of? \_\_\_\_\_

Does it look like any objects you have seen before? Do you have any object in your house that may do the same job? \_\_\_\_\_

---

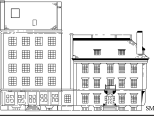

---

What do you think this object is? How do you think it was used?

---

---

---

### Object 3

Sketch the object here:

How would you describe this object to someone who cannot see it?

---

---

---

What material is the object made out of? \_\_\_\_\_

Does it look like any objects you have seen before? Do you have any object in your house that may do the same job? \_\_\_\_\_

---

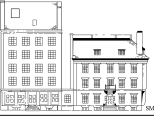

---

What do you think this object is? How do you think it was used?

---

---

---

### Object 4

Sketch the object here:

How would you describe this object to someone who cannot see it?

---

---

---

What material is the object made out of? \_\_\_\_\_

Does it look like any objects you have seen before? Do you have any object in your house that may do the same job? \_\_\_\_\_

---

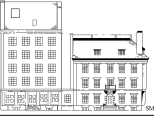

---

What do you think this object is? How do you think it was used?

---

---

---

## Object 5

Sketch the object here:

How would you describe this object to someone who cannot see it?

---

---

---

What material is the object made out of? \_\_\_\_\_

Does it look like any objects you have seen before? Do you have any object in your house that may do the same job? \_\_\_\_\_

---

---

What do you think this object is? How do you think it was used?

---

---

---

## Object 6

Sketch the object here:

How would you describe this object to someone who cannot see it?

---

---

---

What material is the object made out of? \_\_\_\_\_

Does it look like any objects you have seen before? Do you have any object in your house that may do the same job? \_\_\_\_\_

---

---

What do you think this object is? How do you think it was used?

---

---

---
